

Created after the devastating tornadoes of April 2011, *Playgrounds for Ttown* is a countywide initiative with a focus on building or rebuilding playgrounds and play areas throughout Tuscaloosa County.

Parks and play areas can become a cornerstone in Tuscaloosa’s revitalization and a gateway to the city’s proposed greenway. For example, initial plans for Rosedale Park include a LEED Certified community building, “no boundaries” accessible playground installations, a water/splash feature and a pavilion.

Please join us in becoming a part of this historic opportunity to build playgrounds and play areas by making a tax deductible donation to the PARA Foundation, a 501(c)(3) charitable organization.
