Dear Parent/Guardian:

Thank you for choosing PARA's Youth Program! We are enthused to meet our new participants and to see the excited faces of those who are to return. We are committed to providing a safe and enriching experience for all children complemented by hands-on recreational opportunities through all programs, events, and activities held by PARA Youth Programs.

This handbook is designed to provide information on our activity and program procedures, guidelines, and expectations. We ask for the support and cooperation of each child's parents/guardian in reading the handbook and understanding its contents to ensure the success and sustainability of our program.

We look forward to active and engaging Summer Programs and Extended Day Program this year. If you have any questions, please contact your child's program coordinator or the Supervisor of PARA's Youth Programs.

PARA's Youth Program staff are not equipped or trained to provide care to children with special needs and/or certain learning disabilities. PARA's Youth Program is not federally funded like most schools are to be able to provide the necessary care that children with special needs **must** have. If your child does have a special need that has to be met, please contact the supervisor of youth programs before the child attends.

- Jewelry such as watches, bracelets and necklaces are not allowed.
- Caps are encouraged to be worn outside during play. The sun gets hot!
- Campers can wear their swimsuit (covered with shorts and a t-shirt) to camp on swim days. Send a towel and a change of clothes each day they swim, **regardless** of weather in the morning. They are to wear **tennis shoes** to camp on these days. Send the sandals in their bag.

-

PARA strives to maintain an engaging, safe and wholesome environment for all our camp participants. To further this goal, we have outlined basic rules each child and each parent must follow. Please discuss these rules with your child.

- Listen and follow instructions.
- Keep hands, feet, and teeth to yourself.
- Always respect authority.
- Stay with your assigned group at all times.
- Do not throw objects of any kind without staff instructions/permission.
- Remain seated while on the bus, keeping head, arms, and hands inside bus. Feet must be out of the aisle at all times.
- No item can be thrown from the bus.
- Do not take/destroy/hide any of PARA's or other camper's property.
- Inappropriate, harassing, or profane language will not be tolerated.
- No talking disrespectfully to anyone, at any time, at any place.
- **Kids cannot share food.** Some campers have food allergies!

TUSCALOOSA COUNTY PARK & RECREATION AUTHORITY RESERVES THE RIGHT TO TERMINATE ANY PARTICIPANT ON THE BASES OF KEEPING ALL OTHER PARTICIPANTS SAFE AND TO ENSURE A QUALITY PROGRAM FOR ALL.

General Pool Rules:

This will help determine the areas in which campers will be allowed to swim. PARAYouth staff as well as the PARA pool lifeguards, will be supervising campers. The safety of each camper is of top priority. Please discuss safety rules with your child. Basic rules include the following:

- A lifeguard or pool manager will **evaluate** campers on their swimming skills and knowledge of the pool with a designated “swim test.”
- If a camper does not pass a swim test, they must wear a life jacket. See below.
- Walk at all times in the pool area.
- No diving in the shallow end.
- Obey lifeguards at all times.
- Stay in assigned area.
- If a child wears ear plugs, parents must show counselors how to assist the child in applying them.

General Pool Safety

- ❖ Certified lifeguards will be on duty at all times.
- ❖ Lifeguards enforce rules for the safety of your camper and other campers. Campers may be asked to sit out if they do not listen to directions of the aquatic staff.
- ❖ Campers are required to take a Swim Test to enter the deep end of the pool.
- ❖ All swimmers who have passed the Swim Test will be given a wristband to wear while at the pool to access the deep end.
- ❖ Campers that cannot pass the swim test will be issued a wrist band that restricts them to the shallow end of the pool **ONLY** and will not be allowed in the deep end of the pool.
- ❖ We strongly suggest that guardians of all non-swimmers (swimmers that cannot pass the swim test) send a lifejacket on swim days.
- ❖ **We recommend that you provide a Coast Guard approved lifejacket for your child and write their name on the back of it with a permanent marker.** Unfortunately, we do not have enough lifejackets for every non-swimmer that wants to get in the pool.
- ❖ We also strongly suggest that non-swimmers enroll in swim lessons. Swim lessons are provided for by. See Schedule and prices below.
- ❖ Campers with open wounds, sores, or casts will not be allowed in the pool without a doctor’s note, stating the camper is cleared for pool use.
- ❖ Diving is only permitted in the deep end of the pool. Diving board use and safety for diving will be determined by aquatic staff.

- ❖ Use of the slide is only permitted for those that can pass the Swim Test

SWIM LESSONS ARE AVAILABLE

Call the Faucett Center for more details: 205-331-5600.

Discipline Policy:

Positive reinforcement combined with “time-out” is our preferred approach. Verbal and/or written warnings will be given to the child’s parents for any repetitive disciplinary problem. All discipline will be recorded in a behavior log that may be used to create a behavior plan or implement disciplinary action as discussed with supervisor, director, and parent.

*This also includes parents or guardians. *

Behavior Management and Discipline Policy:

At PARA, bullying and any form of disrespect towards another participant, staff, volunteer, or associated person is inexcusable. Our mission ensures every camper with the opportunity to have a constructive, safe, and fun environment.

Techniques PARA Behavior Management Staff will carry out:

1. Discuss and enforce rules at all times
3. Guide children by setting clear, consistent and fair limits for behavior
5. Redirect children to a more acceptable behavior or activity
6. Use positive reinforcement, including a positive behavior recognition program
7. Make eye contact and listen when children talk about their feelings and frustrations
9. Use effective praise that is immediate, sincere and specific
10. Attempt to prevent problems before they occur

Inappropriate behavior includes, but is not limited to, the following:

1. Behavior requiring constant attention from staff
2. Behavior that may threaten the physical or emotional wellbeing of oneself or others
3. Behavior abusing the staff and/ignoring or disobeying the rules
4. Name calling / threatening
5. Physical bullying/fighting such as pushing, spitting, tripping, pinching, pulling, groping, biting, and punching
6. Inappropriate exposure
7. Foul language, Stealing and not following directions

Conduct Policy:

Every effort will be made by PARA staff in conjunction with parents to ensure a rewarding and positive camp experience for every camper. **However, any behavior that**

interferes with the safety, learning, or enjoyment of other campers will not be tolerated.

If there are frequent or recurring discipline problems, the parents/guardians will be notified. In the event there are behavioral difficulties deemed irreconcilable by a child or a parent, there may be reason for either or both to be suspended and/or terminated from the Program.

Disciplinary Action Steps

PARA staff will utilize the following disciplinary steps in normal circumstances. More dire situations will result in steps being skipped which could result in immediate suspension or termination from one or all programs.

1. Remove camper portraying negative behavior and place them in “Personal Time”/“Time Out” for up to five minutes so they can regain control of their behavior
2. PARA staff will inform parent/guardian of behavior issues with camper verbally, and in writing
3. Meeting between the activity’s director and guardian/parent to enact a Behavior Improvement Plan
4. Suspension of camper for one or more days
5. Removal of camper from the program.

PARA cannot serve children who display chronically disruptive behavior. If a child cannot adjust to the program setting and behave appropriately, the child may not be able to return to the program. Reasonable efforts will be made to assist children in adjusting to the program setting.

****NOTE: Campers suspended or terminated for behavior management problems are not eligible for a refund, and will not be allowed to relocate to another PARA Campsite****

TUSCALOOSA COUNTY PARK & RECREATION AUTHORITY RESERVES THE RIGHT TO TERMINATE ANY PARTICIPANT ON THE BASES OF KEEPING ALL OTHER PARTICIPANTS SAFE AND TO ENSURE A QUALITY PROGRAM FOR ALL.

Outings:

Outings are scheduled throughout the summer and school year. Flyers/registration forms will be handed out at camp.

Medical Information:

We are naturally concerned about your child's health and safety. Parents **MUST** include on the registration form if your child has a special medical situation, allergy, or physical disability.

Medication:

- PARA employees may not dispense over-the-counter (OTC) medication to campers. **No OTC medication is allowed at camp.** Children are **not allowed** to keep/have anything (such as cough drops) in their backpack or lunchbox.
- In the event a child must receive **prescription** medication, a parent/guardian must take the following steps:
 1. Communicate the need to the director for approval.
 2. The medication (only enough for one day) should be brought to camp and given to the site director each day, with the medication in the original container that is labeled from the pharmacy. The form must be signed on a daily basis.
 3. Parents are not authorized to change the dosage, frequency, or any other instructions from those printed on the bottle. The instructions on the bottle will be followed by PARA staff. In the event this information changes, parents must contact their doctor/pharmacy and obtain new labels or signed written instructions.
- PARA reserves the right to refuse to dispense medication.

Medical Emergencies:

If your child is injured and requires more than just basic first aid, the following steps will be taken:

- Staff will call 911.
- The parent or guardian will be contacted.
- If parent or guardian is not available, the persons listed on the registration form will be contacted.
- Paramedics will take the injured child to DCH Regional Medical Center.

- PARA employees are not permitted to transport injured parties in PARA vehicles or private vehicles.

You will be responsible for the emergency medical charges for all services rendered. Your authorization and commitment for payment is part of the release attached to the registration receipt after payment is received.

Illness:

If your child has been ill or has fever, they cannot be sent to camp. If your child becomes ill at camp, a parent/guardian will be notified and required to pick up the child **immediately**. If a parent/guardian is unavailable, the emergency contacts will be called.

A parent's telephone number on the registration form should be available at all times.

Please remember – you must be able to be contacted during program hours.

Minor Injuries and Accidents:

While PARA staff work hard to prevent any sort of injury and/or accidents, children will sometimes get hurt. For minor injuries or accidents, a staff member may give a child's parent/guardian a call or send a text if unreachable in the event that a camper receives a "boo-boo". Parents are not required to pick their child up for minor injuries, but our goal is to simply inform a parent of anything that may require attention outside of program hours.

Head Lice:

Lice are transmitted by ways of close contact of objects like caps, hats, towels and hairbrushes. **Children do not need to share these items.** In the event a child is thought to have lice, parents will be contacted. The child must be picked up. Children must be free of bugs (insects) and eggs (nits) before they can return to camp.

Contact Information:

- If any time your contact number changes, **please** give the activity director the new number where you can be reached.
- If at any time you wish to add or remove people from your list of emergency contact/pick-up, please give this information to your child's site director.
- For emergency purposes each site director will carry a phone. Messages which are not emergencies can be made to your child's day camp center at any time.
